

Jack Henry & Associates Ranked Number 12 on America's Best Employers List by Forbes

May 3, 2018

Company ranked number 2 in the IT, Internet, Software and Services category

MONETT, Mo., May 3, 2018 /PRNewswire/ -- Jack Henry & Associates, Inc.[®] (NASDAQ:JKHY) is a leading provider of technology solutions and payment processing services primarily for the financial services industry. Today, the company announced that it has been recognized by *Forbes* as one of America's Best Employers for 2018. Jack Henry & Associates ranked number 2 in the IT, Internet, Software, and Services category and number 12 overall on the large companies list. Last year, Jack Henry & Associates ranked number 7 in the IT, Internet, Software and Services category and number 95 overall.

Each year, *Forbes* partners with market research company Statista to recognize the organizations that create an exceptional experience for their employees. The 500 companies listed on the large companies list were selected based on the results of an independent survey completed by 30,000 American employees inquiring about certain aspects of job satisfaction, including how likely employees are to recommend their employer to a friend. All surveys were completed anonymously, allowing employees to openly express their opinions.

Jack Henry & Associates employs more than 6,300 people across the country in more than 20 states. This year, the ranking was divided into two lists, one for the top large companies with more than 5,000 employees, and one for the top midsize companies with 1,000 to 5,000 employees.

David Foss, president and CEO of Jack Henry & Associates, stated, "Attracting and retaining top talent is critical for any organization, and it has become especially competitive in the IT industry. Our success ultimately depends on the dedication and expertise of our associates, which is why we are committed to fostering an environment that's inviting, challenging, and rewarding. We're honored to once again be recognized by *Forbes* among America's best employers."

Technology leaders including Google, Facebook, Microsoft, IBM, LinkedIn, Salesforce.com, and PayPal were also recognized on the large companies list in the IT, Internet, Software, and Services category.
