

## Computerworld Names Jack Henry to 2024 List of Best Places to Work in IT

November 28, 2023

MONETT, Mo., Nov. 28, 2023 /PRNewswire/ -- Foundry's *Computerworld* announces Jack Henry™ (Nasdaq: JKHY) as a 2024 Best Places to Work in IT. This award recognizes the top organizations that challenge their IT staffs while providing great benefits and compensation.

Jack Henry ranked 52<sup>nd</sup> in the large companies' category, marking the company's 12<sup>th</sup> year on the list.

"Our IT professionals continually develop innovative solutions that aid community and regional financial institutions to meet the evolving needs of their accountholders," said Jack Henry Board Chair and CEO David Foss. "We are able to attract and retain top industry talent through our dynamic and rewarding work environment. We are thrilled to once again be recognized in this ranking of top workplaces."

"Technology is playing an increasingly important role in modern business. IT professionals continue to benefit from this trend, as this year's winning organizations increase staffing and offer a variety of pathways to upskill, reskill, and diversify their teams," said Rob O'Regan, global director, content strategy, Foundry. "These companies provide a model for IT and HR leaders who are looking for new ways to attract, engage, and retain talent in an increasingly competitive IT environment."

### About the Best Places to Work in IT

The Best Places to Work in IT list is an annual ranking of the top work environments for technology professionals by Foundry's *Computerworld*. The list is compiled based on a comprehensive questionnaire regarding company offerings in categories such as benefits, career development, DEI, future of work, training and retention. In addition, the rankings are reviewed and vetted by a panel of industry experts.
