Explanation of Responses:

- Each restricted stock unit is the economic equivalent of one share of JKHY common stock and represents a contingent right to receive one share of JKHY common stock or, at the Issuer's option, the cash value thereof.
- On November 20, 2020, the reporting person was granted restricted stock units, vesting in full on the first anniversary of the grant date.
- The reporting person has elected to defer a number of restricted stock units, which have fully vested and will become payable, in cash or common stock, at the Issuer's option, upon the reporting person's termination of service as a director of the Issuer or on specified future dates, pursuant to the reporting person's deferral elections. Each vested restricted stock unit is the economic equivalent of one share of JKHY common stock. These deferred vested restricted stock units have previously been reported in Table I as shares of common stock, but the reporting person is now reporting these shares in Table II as vested restricted stock units subject to settlement pursuant to the reporting person's deferral elections.
