Jack Henry & Associates, Inc. (the "Company") is unable to file its Annual Report on Form 10-K for the period ended June 30, 2015 within the prescribed time period without unreasonable effort or expense due to the circumstances described below.

On May 6, 2015, the Audit Committee of the Board of Directors of the Company concluded that the Company's previously-filed financial statements included in the Company's Form 10-K for the three fiscal years ended June 30, 2014, the reports of the Independent Registered Public Accounting Firm and the previously-filed financial statements for the comparative interim period ended September 30, 2014 should no longer be relied upon due to the identification of material errors. On June 25, 2015, the Company filed its Form 10-K/A for the fiscal year ended June 30, 2014, as well as Quarterly Reports on Form 10-Q/A for the period ended September 30, 2014, Form 10-Q for the period ended December 31, 2014, and Form 10-Q for the period ended March 31, 2015. The timing of these filings affected the timing of completion of the preparation and audit of the Annual Report on the Form 10-K for the year ended June 30, 2015. The Company intends to file its Annual Report on Form 10-K as soon as possible, and in any event no later than the fifteenth calendar day following the prescribed due date for such report. Our estimated filing date at this time is September 8, 2015.
